As a member of the People Building People Mission Team, I promise to obey the following rules for this trip.

- I will sleep in designated areas for guys only or ladies only.
- I will refrain from using or buying any tobacco product(s), drugs, or alcoholic beverages at any time on this trip. Non-prescription and prescription medications need to have use verified by a parent or guardian on our permission slip form along with a description of how and when the medication is to be taken. I understand if someone is suspected of having any of these items, an adult on the trip will check bags.
- No guys and ladies will be permitted in hotel rooms without an adult present.
- I will use only good language in the presence of my teammates.
- No sleeveless or strapless shirts will be worn. No short shorts will be worn.
- I will have a positive and an "I will help" attitude at all times and when asked to help.
- I will respect the property of others, including any facilities being used. I understand any damage that I make, I and/or my parents or my guardian may be held responsible for repairs or replacement.
- I will remain as a part of the group and participate in all planned activities. I will not leave the designated areas. I will be on time to all gatherings.

I agree to respect the authority of the leaders.

I fully understand and will obey these rules on this trip. I know failure to comply with these rules will bar me from ever attending another People Building People Mission Trip.

I acknowledge the purpose of this trip is to honor Jesus Christ by:

- Ministering to our neighbors in other countries.
- Building up and encouraging other ministry team members.
- I promise to support the primary purpose to the best of my ability.
