PEOPLE BUILDING PEOPLE

(The team at work) here in Ciudad Vieja. Although I was able to do all the pre-preparations, Christa took full control of the team along with Antonia as her help.

This month a Group of 25 people from different parts of the USA came together to work with a ministry called People Building People situated in Cincinnati, run by our good friends John and Sue Gadsby. Their ministry involves building houses for the poor and also the running of medical campaigns whilst sharing the Gospel of Jesus Christ. Until last year their work was only in Mexico, but the Lord put us together, and now for the second year they came to bless the people

This is the middle of the rainy season and for the second year running there

though *(The Medical Team)* they had no money, believed that one day God would give them one. “Now a miracle has happened, we have our house and it only took 5 days! Thank you Father, thank you brothers and sisters.”

was only one rain shower that briefly interrupted *(Everado praying)* the team’s work on one afternoon. Isn’t God good? It was wonderful to see some of the Guatemalans from our church working alongside the team which was not just men but also women and children. It took them only five (yes five) days to build a block house with cemented floor for a family of 6 from our church. Everado, the husband and father wept as the last of the work was done. He remarked with thanks that it was their prayer to have a decent house of their own and even

At the same time Sue Gadsby was in charge of the Medical campaign taking place in our church building. Dr. Hugo Mendez *(Children doing puzzles)* who came from Mexico saw approximately 60 patients a day whilst the team took blood pressures and found many with sugar problems. Upstairs in the church, Ted de Bonis, who has a ministry called “Sonshine Ministries,” led a team that entertained the children during the day. For two evenings he had the opportunity of sharing with the children’s leaders, youth leaders and adult leader using figure balloons, the evang cube and, yes, an evang soccer ball! This man amazed not only the Guatemalans but us all. He also brought a lot of material for the children. Ted travels to many countries giving his time sharing the Gospel and pouring out the

love *(Lots of lovely Food!)* of Jesus to many children. Thanks Ted. Now you come back next year please! We are so grateful to everyone who gave their holiday time and funds to pay for flights and accommodation to bless our ministry and share Jesus with the Guatemalans. We know that some even got sick – that is part of the price of coming to this country that needs so much help. God bless you all, and John, Jeff misses your infectious laughter!

BIBLES

As we are winning more and more people to the Lord, there is a need to distribute more bibles to these people. If you feel led to help, please send your donations to the address below marked "Bibles." Or click on www.globeeurope.co.uk and pay by Paypal or Credit/Debit Card. Thanks in advance.

THE CHURCH

We continue to grow as our 21 cell groups are challenged time and time again to go out and win people for the Lord until it becomes natural and part of their lives. As we watch what is happening on the political scene with Russia being the big bully and Iran building their bomb, and the ungodliness in most countries, we know the time is imminent for the return of Jesus Christ. This time He is not coming as a baby, but as the King of kings with millions of angels. There is work to do for every Christian and it is urgent. TAKE EVERY OPPORTUNITY OF SHARING JESUS CHRIST EVERY DAY, not just once or twice a year, then see the church be filled with new souls. Oh Lord Give us more!

OUR BUILDING

There are just small jobs left to do. Re-painting if the outside and inside. Four doors need to be purchased and fitted in the classrooms and bathrooms. A few electrical jobs, and the construction of an office for our pastor. We are almost there and we ask for one last push for the sum of \$600. Please mark donations "Church." Thank you in advance.

PRAYER

1. Health for our family
2. Security & finances
